## **In My Teenage Day's, Part - 2**

I started my education at S N Primary Government school Yeshwanthpur, Bangalore from 1<sup>st</sup> std to 7<sup>th</sup> std

I was 3<sup>rd</sup> rank student during those days, for 8<sup>th</sup> std

I had to join an another school a

on my first examination day 05<sup>th</sup> march 1988 at 05:00 am in morning my father had passed away, so I could not attend my 1<sup>st</sup> exams , it was a shocking day of my life, In My childhood days our Parent's had brought us very spiritually, In Hindu Traditional Vedas & Rituals

My father & Mother was very important members in Some temples, & Puja Group's, But We All Worshiped & Prayed Day And Night Seriously And Honestly But There Was No Blessing's and No Financial Benefits No Peace of Mind in our Family And Due to this I and My Family Members were Disappointed in Life & We Were Scattered, After This Situation I decided to commit Suicide,

### **1<sup>st</sup> Time: Disappointment**

when One Day my mother took me to a Maramma temple At M S R Nagar Bangalore So many Time's I Had Attended Puja's But I Lost Faith in this God But My Mother Insisted Me to Believe This God Many Times But i Lost My Patience Without telling my mother I Jumped into well Near By the Temple but nothing happened to me as there was no sufficient water I fell on a stone inside The Well at Bottom, I was injured And I Cried Loudly in Pain as My Spinal cord was Injured Badly on Hearing My Voice somebody Near By came and saved me,

After All this Incident We Had to shift our House from Yeshwanthpur to Srinivasnagar Bangalore, My Family Wanted Me to Peruse Good Quality Education as My Maternal uncle's Daughter's Recommendation I Got Admission For My 9<sup>th</sup> std at Sri kumaraswamy vidhya mandir school hanmanthanagar Bangalore,

Due to this My Family Faced Financial Crises And I was not able to concentrate on my studies properly, I was unable to understand my subjects because I was remembering my father always And I was Hurt Because I Was missing him in my life, There After We All in the family were feeling some untoward Evil Witchcraft Activities And Demonic Works were Working Against our Family so We Lost our Father, Grand Father & two of our Grand Mother's My Maternal Uncle, My two Elder Sister's, My Brother-in-law total 8 Members Died During My 18 Years Of Age So All This Pains And Sufferings Totally Had Broken Me Down ,

thereafter I had friendship with bad group and got indulged in bad ways, my studies got discontinued my life was ruined henceforth, There After I Thought to support my family and help them at this juncture,

I joined for work, in the beginning I went for a cycle shop job, then went for tailors job then went for

carpenters job and all these jobs didn't suite me,so I went for electrician job ,first as a helper, Next as a wireman and As a sub-contractor, and i was Specially trained In Moniba Water purifier Company Dadar Bombay as water purifier mechanic and sub dealer in Moniba waterfilter, In This Way I wanted to earn money and settle down in my life,

during this season of all indian feastivity I was involved in pujas,lighting,pilgrimages , I used to give my head hairs by shaving bald,very frequently,at tirupathi and dharmasthala and to make vows to the gods,as I was staunch believer and worshipers of shiva, Manjunatha, Venkateshwara ,Ganesha ,sri rama,Hanuman , Saibaba,Ragavendra Ayyappa, Muruga ,Shanimahathma ,Sathyanarayana, Gayathri, Circle Maramma, Annamma, Muneshwara, Kali,and many other god and goddesses in my days ,Visiting temples, inspite of all this much, worships and prayers I didn't get any reply from these gods I went into dipression and lost all my hope and faith in them and I became an atheist ( nasthik ),

## **I HEARED THE TRUE GOSPEL AFTER I RECEIVED GOD'S PEACE IN MY SOUL, Part - 4**

We got shifted our house, from Srinivas Nagar to Dollars Colony My father and mother had lot of faith in Hindu gods and goddesses,

I with my whole heart and went on to various pilgrimage and holy places and worshipped them,

but I didn't get peace in my life, rather many, unto ward incidents happened in our family, seeing all this situation in my life I lost peace in my life, and I was provoked and Decided to suicide,

### **4 th Time: Disappointment**

One Day at New BEL Road railway track i slept on the track but train didn't come so I went back home that night,

### **5 th Time: Disappointment**

One Day and on the same bridge I went to jump from top but somebody pushed me away and stopped me, after

### **6<sup>th</sup> Time: Disappointment**

at home I wanted to hang myself but somebody knocked the door and disturbed me,

## **7<sup>th</sup> Time: Disappointment**

I went and caught a electric pole wire to die but that day there was no power supply I didn't get any current shock , I lit a electric big copper coil stove and wanted to burn my stomach but felt somebody came and stopped me from this attempt,

So this way all 7 seven attempt were failure in my life. I was forsaken in the midst of my friends led a life as mad person,

due to the betrayal by girl whom I loved forsook me, I was lonely in my life took pathway to evil and wicked way of life like alcohol, smoking, rowdism, picking up quarrels, troubling peace in the neighbourehood,

addiction to pan parag watching adult movies with evil friends, I was angry on all people without reason and never respected anybody, I was mocking every persons, due this many use to curse me always even myown family members due to, my worst attitude I was a curse to people I was living a worthless life, because I was not liking to live anymore and wanted to die.

when I was at the age of 18 years as I was daily going for my work and returning ,in our street a known Christian family who were very constantly observing me had be, friendly with me,

## **My Last Idol Worship**

in those days ganesha festival time,I was forced by my friends for taking the procession around the locality,and took me along with them as I was also dancing along them,at that juncture heavy rain started to come all other my friends left that place to their home ,some went inside the vehicle but I was dancing alone, shouting and praising that god with loud voice, and at that moment thisChristian family who was watching me, were prompted to tell me gospel of Lord Jesus Christ, and were seeking for a chance to speak to me

at the age of 18 years, for the first time the Gospel of Lord Jesus Christ, was told by my neighbour, by a christian family youth, and by his maternal uncle, and his friend, who had received salvation who was an hindu youth, who spoke gospel through Mathew chapter 7:7, I did not believe Lord Jesus Christ,many time I ignored Lord Jesus Christ, why because I was an atheist (nasthik) ,I questioned them that the God's whom I believed they didn't do anything to me, what will your God do to me.There after I started avoiding them some time after few months they again approached me But I ignored them and escaped from them Many times But

## **First Time I Received Peace of Mind**

One Day I was Walking in front of My friend's House suddenly his Uncle Called Me And Started Speaking Politely to me I was very impressed by his way of talking he started Slowly Sharing the gospel of Lord Jesus Christ to Me I was very much touched in my heart when he told that” **Jesus Christ died for my sins”**

And he said there is only one God in this world that true God is Lord Jesus Christ Only! He loves you he forgives your sins and he gives peace he gives protection he gives Eternal life and whatever you ask Him in His Name he will give you all things in the world,

All the God's in the world what you see it's all Fallen Angel's Right Now But once upon a time these all angels where Worshiping the Lord in heaven One day the Head of angel the name called by Lucifer he in his heart he wanted to be equal to God in heaven and When this pride was increasing in him and lord warned him several times so he started to rebel against to god on seeing this Lord's Anger Was kindled against him and his angels and cursing him threw him from heaven to Hell he became satan ( devil ) and thereby called as fallen angels this truth impressed me to believe and accept and follow true and the only God in this world .

During this time I started praying within myself if you are true God give me Peace Now and I will Believe you Suddenly I saw one star falling from in the sky I was

shocked what is this why star is Coming Down I was observing the star straight away came inside my heart instantly I received such a great Peace in my Life I never experienced this kind of peace immediately I believed Jesus Christ is my God whom I was searching all these years immediately I shared this testimony to him he also felt very happy and he Gave kannada bible on that night for the first time I took it to my home and Started Reading But could not understand genesis 1 st chapter Holding the bible I slept,

I was filled with Happiness joy and peace and I wanted to know about Jesus Christ More But I didn't know what to do further, I met them and was involved in their fellowship

**I took Baptism at Sankey Tank Bangalore  
On 07 th Tuesday, April 1992, Part - 5**

They invited me to their Church it was at mathikere, I was very happy because it was my first visit after that I went regularly to the church by the God's Grace I was very Happy with the God's words preached in the church I received deliverance From all Demonic Power's I completely surrendered myself to Lord Jesus Christ ,

And I took Baptism on 7<sup>th</sup> Tuesday, April 1992 at Sankey tank Bangalore, in the same lake in the past I used to throw and immerse ganesha idol,s but Jesus blood Chlinsed my all past sins, that experience was

very heavenly filled with joy and Peace my inner soul was filled with the rejoice there after I became his disciple In the church,

I was also going for My Electrical Job Continuously I was not completely delivered from my sinful life.

### **My First Holy Communion God's power, Part - 6**

I was Not Aware of the holiness of holy communion and the procedure I was just watching all people as what they were doing to receive holy communion then my senior pastor came to me knocked me with his knuckle on my head and gave me bread and wine and seeing others I did according to them the moment I took the wine and bread I felt deliverance in me as days went on I started hating all sinful ways in my life by the power of blood of Jesus which was inside me guiding me in righteous way and Guiding me through the word of god and removed me completely from all sins in my teenage days till now ,

### **As there was Desire in My Heart to Make a Movie, Part -7**

After my salvation my heart was burning for Jesus Christ to preach his gospel to all people through the way of Movie's so all people could watch and know that Jesus Christ is the true god and all to receive salvation.

To achieve this Goal I Departure to Chennai, as my elder brother Thribuvan as a Choreographer was Working in the film industries with Choreographer Prabudeva Sir and Chinni Prakash Sir Raju sundaram Sir as assistant Choreographer at Chennai thinking through my elder brother I would able to easeley make a Movie's About Jesus Christ On Jesus Christ so that all people by watching the movie will know who Jesus was!

### **I was persecuted for accepting and following Jesus Christ, Part -8**

At home I was singing God's songs hearing spiritual Songs on Cassette and Daily Bible reading & Praying at in my home my family was shocked on seeing my activities because I stopped worshipping our traditional God's at our House so all my Family Members relatives and friends got Annoyed on me

One day in my house I and my elder brother had arguments Regarding the tradition and Customs of our Religion I told them there is only one God our Religion god's Are Fallen angels and I said they all are Satan (DEVIL'S) I never accepted them so I was brutally beaten by my brother on my face and spinal chord all most to death I was bleeding from my mouth & noose my whole house was in pool of blood but I never forsook Lord Jesus Christ and again and again repeatedly persecuted By my Family,

In my friends circle they force me to play cricket to watch movie and Drinks alcohol and spend time with them on Sundays and I refused to join them,

Then one day I went to my friends circle to share my testimony And Gospel So that they might receive peace in their life with bible but they refused to hear the gospel the took away my bible and poured Kerosene on my body and locked me in a small Room with anger they threatened me that they will burn the bible and me but God saved me & escaped me From Their clutches im seeing all this I left all my friends family & relative's

Once upon a time I was very wicked person in my family and friend circle all use to fear me but as I accepted Jesus Christ I became nonviolent on seeing this many friends took advantage and started threatening me and physically assaulting me seeing I would not hurt them back.

So in this way my family also refused to accept me in the house saying I have converted to other religion, Change from our caste to lower caste and brought disgrace to your father's name and family, as we come from Kshatriya Kings Ruling Family we don't join to the Christianity only poor and low caste people join this religion in this way they use to torture me physically and through words So I might Leave Jesus Christ Permanently And rejoin back my family,

But i was happy with Jesus Christ by doing praise worship and lessening word of God Honestly Doing prayers and involving youth meetings and seeing all my activities,

One day my mother came to the church very angry scolded me you are no more my son and I am not your mother and threatened me saying if you come back home your brothers will kill you and cut you in pieces don't come All relation between you and us is finished from today onwards by throwing two set of my clothes which she brought from our house on hearing the words from my mother's mouth I was shattered and broken down but in Christ I was very happy,

### **I Started God's Ministries, Part 9**
